INDEPENDENT AUDITORS' REPORT

To the Board of Directors Wilkinson Center

Opinion

We have audited the accompanying consolidated financial statements of Wilkinson Center ("the Center") (nonprofit organization), which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Center as of June 30, 2021 and 2020 and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Center and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Center's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement

resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
 include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
 statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
 raise substantial doubt about the Center's ability to continue as a going concern for a reasonable
 period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated February 17, 2022 on our consideration of the Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Center's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Center's internal control over financial reporting and compliance.

<u>Summarized Comparative Information</u>

The financial statements of Wilkinson Center as of June 30, 2020, were audited by other Auditors and their report was dated January 21, 2021, expressed an unmodified opinion on those statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

The accompanying notes are an integral part of these financial statements.

Notes to Financial Statements

1. Summary of Significant Accounting Policies

Nature of activities

The mission of Wilkinson Center (the "Center") is to transform the lives of Dallas families by promoting pathways to self-sufficiency with dignity and respect. The Center was incorporated under the laws of the State of Texas in 1997. The Center is supported primarily through various donor contributions. The Center responds to a variety of critical needs across Dallas County, concentrating on meeting needs through the following:

- 1) Food and Emergency Services;
- 2) Adult Education (GED study, English as a second language and financial coaching);
- 3) Job readiness training and employment search.

Basis of presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. The Center presents its financial statements in accordance with ASC 958, "Not-for-Profit Entities". Under ASC 958, the Center is required to report information regarding its financial position and activities according to two categories of net assets: net assets without donor restrictions and net assets with donor restrictions. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Center and changes therein are classified and reported as follows:

<u>Net assets without donor restrictions</u> – Net assets available for use in general operations and not subject to donor restrictions. Assets restricted solely through the actions of the Board of Directors (if any) are reported as net assets without donor restrictions, board-designated.

<u>Net assets with donor restrictions</u> – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Advertising Costs

Advertising costs are expensed as incurred. Advertising costs for the years ended June 30, 2021 and 2020, were \$25,018 and \$3,526, respectively. Advertising costs consist of print and internet advertising.

Cash equivalents

Cash equivalents consist of short-term, highly liquid investments which are readily convertible into cash within ninety (90) days of purchase.

Notes to Financial Statements

1. Summary of Significant Accounting Policies, continued

Contributions

Contributions, including unconditional promises to give, are recorded as made. All contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Unconditional promises to give, due in the next year, are recorded at their net realizable value. Unconditional promises to give, due in subsequent years, are reported at the present value of their net realizable value, using risk-free interest rates applicable to the years in which the promises are to be received.

Deferred Rent

Deferred expense is being recognized on a straight-line basis over the life of the lease. The difference between rent expense recognized and rental payments, as stipulated in the lease, is reflected as deferred rent in the statements of financial position.

Compensated absences

Compensated absences cannot be reasonably estimated and are therefore recorded at cost when paid.

Revenue Recognition

Effective September 1, 2019, the Center adopted ASU 2014-09, Revenue from Contracts with Customers (Topic 606) and related amendments, which creates a single source of revenue guidance for all companies in all industries and is more principles-based than previous revenue guidance. Under ASU 2014-09, revenue is recognized when promised goods or services are transferred to customers in an amount that reflects the consideration to which the Center expects to be entitled in exchange for those goods and services. The Center adopted the standard using the modified retrospective approach, results for reporting periods beginning after September 1, 2019 are presented under Topic 606.

The Center's revenues consist of contributions and grants. Contributions consist of funds donated to the Academy without donor stipulations. Grant revenue includes funds from private and public entities for a particular purpose. Grants do not require transfer of goods and services in return for the funds and therefore there is no impact of the implementation of FASB ASU 2014-09, as related to grant revenues. As such, the adoption of this standard did not result in significant changes to the Center's accounting policies, business processes, systems or controls, or have an impact on its financial position, results of operations or cash flows. Therefore, prior period financial statements were not recast and there was no cumulative effect adjustment upon adoption.

Depreciable assets

Depreciable assets are stated at cost or at estimated fair value at the date of gift. Donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. The Center capitalizes all expenditures over \$5,000 to depreciable assets. Depreciation is provided using the straight-line method over estimated useful life of the assets.

Notes to Financial Statements

1. Summary of Significant Accounting Policies, continued

Income taxes

The Center is exempt from Federal income taxes under Internal Revenue Code Section 501(c)(3) and therefore has made no provision for federal income taxes in the accompanying financial statements. In addition, the Center has been determined by the Internal Revenue Service to be a public charity within the meaning of Section 509(a)(1) and 170(b)(1)(A)(vi) of the Internal Revenue Code. There was no unrelated business income for 2020-2021.

The Center is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for years prior to July 1, 2017.

Functional allocation of expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Date of Management's Review

Subsequent events were evaluated through February 17, 2022, which is the date the financial statements were available to be issued.

2. Liquidity

The following reflects the Center's financial assets as of the balance sheet date, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the balance sheet date.

	2021		2020
Financial assets, at year-end	\$	1,085,928 \$	1,174,358
Less, assets unavailable for general expenditures within one year, due to: Net assets with donor restrictions		664,187	514,700
Financial assets available to meet cash needs for general expenditures within one year	\$	421,741 \$	659,658

Notes to Financial Statements

3. Property and Equipment

The following is a summary of property and equipment as of:

June 30, 2021

		Beginning				Reclass/	Ending

Less: accumulated depreciation		438,770		41,202		(3,771)	476,201

Depreciation expense for the years ended June 30, 2021 and 2020 was \$32,734 and \$41,202, respectively.

Notes to Financial Statements

4. Net Assets with Donor Restrictions

Net Assets with donor restrictions are available for the following purposes at June 30, 2021 and 2020.

		2021	2020
Adult education	\$	<i>35,925</i> \$	18,134
Shoe drive		67,379	17,184
Working Family Success		52,554	9,325
Food and emergency assistance		205,095	50,558
Friends of Wilkinson Center		23,865	19,951
COVID-19		205,587	265,902
Administrative and technology		73,782	133,646
	_	_	_
	\$_	664,187 \$	514,700

5. Commitments and Contingencies

The Center leases office space under a non-cancellable lease agreements with expiration dates through February 2024. Minimum lease payments under the remaining operating lease are as follows:

For the years ending June 30,

2022	\$ 106,872
2023	44,376
2024	 22,188
Total	\$ 173,436

Total rent expense on these leases for the year ended June 30, 2021 and 2020 was \$215,067 and \$200,071, respectively.

6. Paycheck Protection Program Loan

On April 16, 2020, the Center was granted a loan from Frost Bank in the aggregate amount of \$173,600, pursuant to the Paycheck Protection Program (the "PPP") under Division A, Title I of the CARES Act, which was enacted March 27, 2020.

The loan, which was in the form of a Note dated April 16, 2020 issued by the bank, matures on April 16, 2022 and bears interest at a rate of 1.0% per annum. The Note may be prepaid by the Center at any time prior to maturity with no prepayment penalties. The loan and accrued interest are forgivable after twenty-four weeks as long as the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. During the year ended June 30, 2021, the Center met the conditions for forgiveness of the loan, and the amount is reflected in governmental grants on the Statement of Activities.

Notes to Financial Statements

7. Line of Credit

On October 6, 2017, the Center entered into a line of credit agreement with Frost Bank. The maximum amount of the line of credit was set at \$150,000. It is not secured by collateral. The interest rate was subject to change from time to time based on changes in an independent index which is the prime rate as quoted in the most recently published issue of The Wall Street Journal (US Edition) in the "Money Rates" section. at June 30, 2020. Outstanding principal is due on October 19, 2021. As of June 30, 2021 and 2020, the Center had no outstanding balance under this line of credit.

8. Credit Concentration, Risk and Contingency

The Center operates entirely within the Dallas, Texas area. The majority of the Center's revenue is from contributions. Therefore, the financial activities of the Center are subject to the economic conditions of the area. Approximately 37% and 34% of the Center's total support for the years ended June 30, 2021 and 2020, respectively, were from government grants. Receivables from government grants represented approximately 93% and 72% of receivables at June 30, 2020 and 2019, respectively.

The Center maintains cash balances in bank accounts that may, at times, exceed federally insured limits. The Center has not incurred any losses from such accounts, and management considers the risk of loss to be minimal.

9. Subsequent Events

As a result of the spread of the COVID-19 Coronavirus, economic uncertainties have arisen which could negatively impact contribution revenue. Other financial impact could occur, though such potential impact is unknown at this time.

The Center has evaluated subsequent events through the date of the Independent Auditor's Report, the date which the financial statements were available to be issued, and determined that there were no additional subsequent events or transactions that require recognition or disclosure in the financial statements as of June 30, 2021.

Independent Auditors' Report on Internal Control Over Financial
Reporting and on Compliance and Other Matters Based on
an Audit of Financial Statements Performed
in Accordance with Government Auditing Standards

Board of Directors Wilkinson Center

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Wilkinson Center (the "Center") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 17, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Center's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Center's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors Wilkinson Center

Report on Compliance for Each Major Federal Program

We have audited Wilkinson Center ("the Center") (a nonprofit organization) compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of the Center's major federal programs for the year ended June 30, 2021. The Center's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Center's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Center's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Center's compliance.

Opinion on Each Major Federal Program

In our opinion, the Center complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021

Report on Internal Control Over Compliance

Management of the Center is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Center's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

- 2. Significant deficiencies in internal controls were disclosed by the audit of the financial statements: **None**. Material Weaknesses: **None**.
- 3. Noncompliance that is material to the financial statements: **None**.

Federal Awards Section

- 1. The type of report issued on compliance for major programs: **Unmodified**
- 2. Significant deficiencies in internal controls were disclosed by the audit of the major programs: **None**. Material Weaknesses: **None**.
- 3. Any audit findings that are required to be reported under 2 CFR section 200.516(a): None.
- 4. Major Programs:

Adult Education – Basic Grants to States

84.002

- Dollar threshold used to distinguish between Type A and Type B programs: \$750,000
- 6. Auditee qualified as a low-risk auditee: **Yes**

PART II – FINDINGS RELATED TO THE FINANCIAL STATEMENTS

None

PART III – FINDINGS AND QUESTIONED COSTS RELATED TO MAJOR FEDERAL AWARD PROGRAMS

None

WILKINSON CENTER Summary Schedule of Prior Audit Findings and Current Results Year ended June 30, 2021

There were no prior year audit findings.

Wilkinson Center Schedule of Expenditures of Federal Awards June 30, 2021

Federal Grantor/Pass-through Grantor/Program Title	Federal CFDA Number	Agency or Pass-through Number	Federal Expenditures
U.S. DEPARTMENT OF EDUCATION Passed through Dallas County Local Workforce Development Board, Inc.			
Adult Education - Basic Grants to States	84.002		\$ 1,052,509
Total U.S. Department of Education			1,052,509
U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES Passed through United Way			
Emergency Food and Shelter Program Total Passed Through United Way	97.024	782600-027	36,406 36,406
Total U.S. Department of Health and Human Services			36,406
Total Federal Awards			\$1,088,915

WILKINSON CENTER Notes to Schedule of Expenditures of Federal Awards For the Year Ended June 30, 2021

1. Basis of Presentation

The accompanying schedule of expenditures of federal awards includes the Federal grant activity of Wilkinson Center ("the Center") and is presented on the accrual basis of accounting. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operation of the Center, it is not intended to and does not present the financial position, changes in net assets, and cash flows of the Center.

2. Summary of Significant Accounting Policies

Expenditures on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Subpart E of the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

3. Commitments and Contingencies

Federal grants received by the Center are subject to review and audit by grantor agencies. The Center's management believes that the results of such audits will not have a material effect on the Schedule.

4. Election To Use 10% De Minimis Indirect Cost Rate

The Center has elected not to use the 10 de minimis indirect cost rate allowed under uniform guidance.

5. Reconciliation of Governmental Grant Revenues and Schedule of Expenditures of Federal Awards:

Total expenditures of federal awards per the Schedule of Expenditures of Federal Awards	\$ 1,088,915
PPP Loan forgiveness	 <i>173,600</i>
Total governmental grant revenues per the Statement of Activities	\$ 1,262,515
